

# Referral Program

## This offers both challenges and opportunities.

As a PPS Solutions Referral Partner, you can access a range of benefits that provide you with the tools and resources you need for your business to continue to succeed in this new landscape.

## Hear it first, from those who know

Team up with PPS Solutions and you'll be kept in the loop with newsletters and invitation-only partner events.

Receive news on campaigns, product developments and handy FAQs delivered straight to your inbox – all the latest information you need to better serve your clients and ensure your own business capitalises on this legal reform.

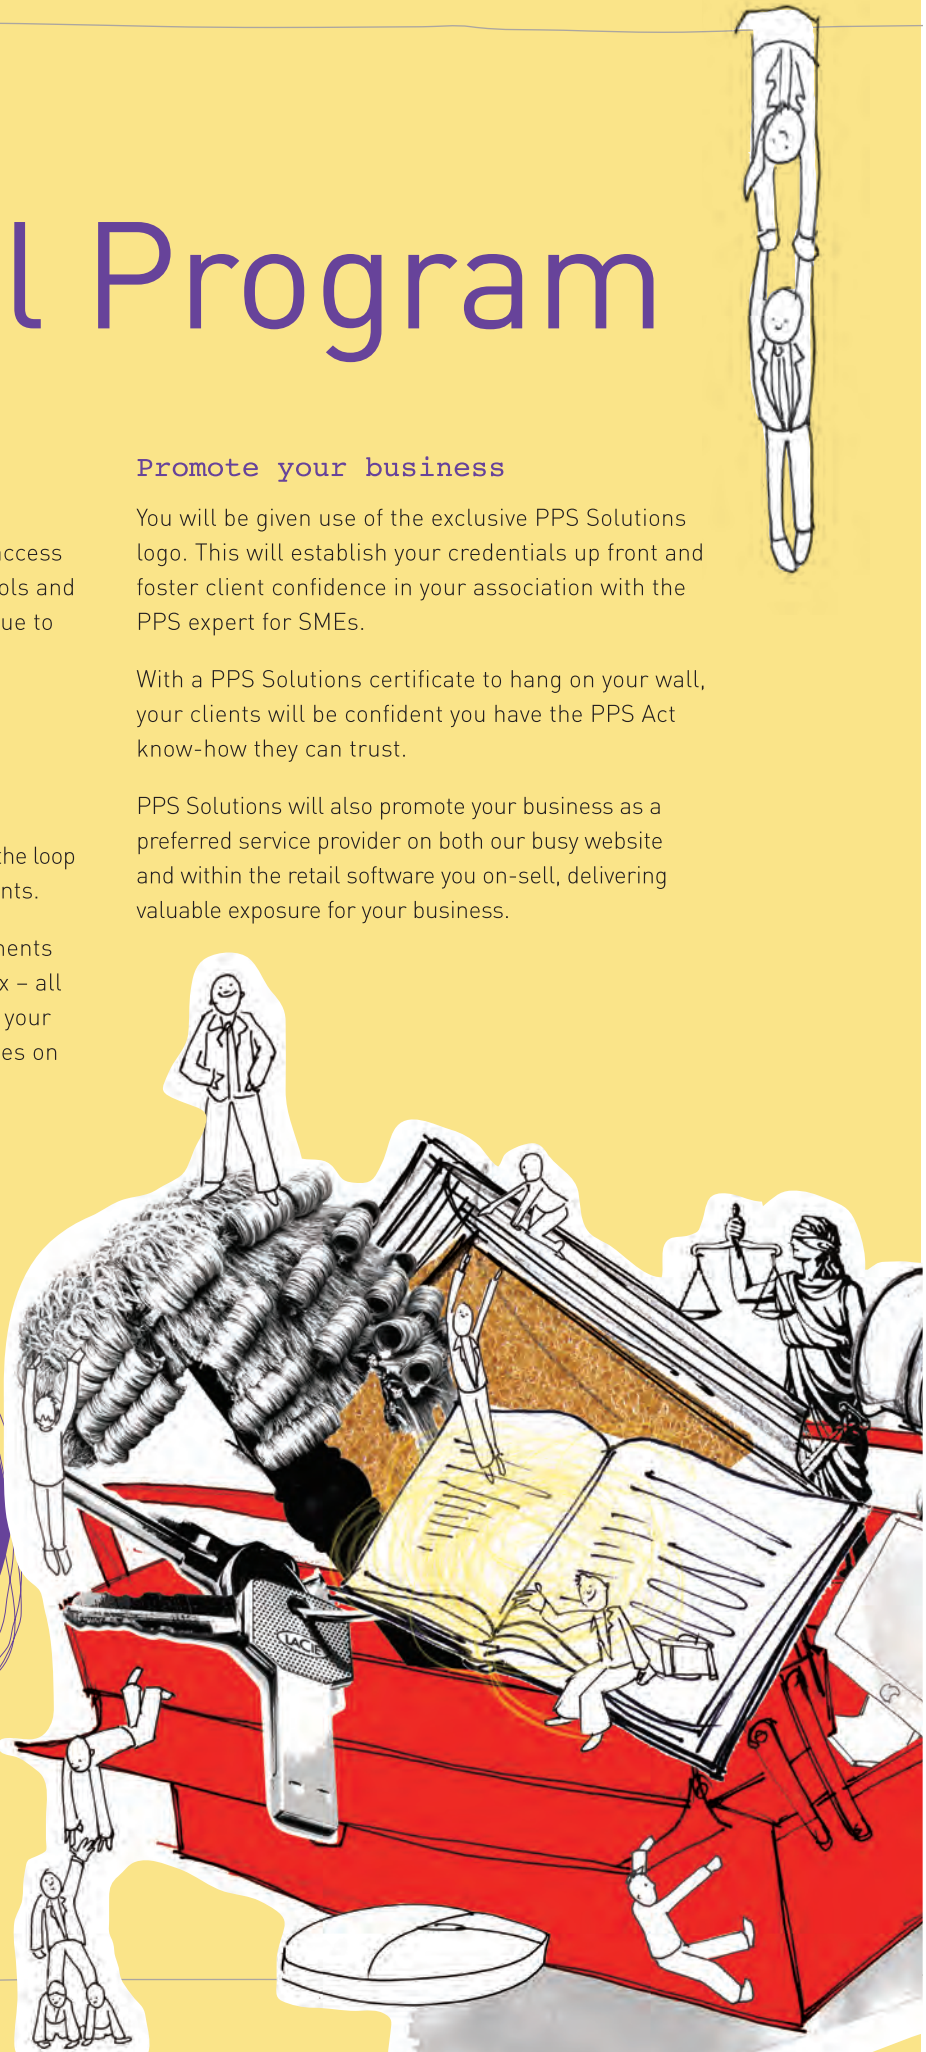

## Promote your business

You will be given use of the exclusive PPS Solutions logo. This will establish your credentials up front and foster client confidence in your association with the PPS expert for SMEs.

With a PPS Solutions certificate to hang on your wall, your clients will be confident you have the PPS Act know-how they can trust.

PPS Solutions will also promote your business as a preferred service provider on both our busy website and within the retail software you on-sell, delivering valuable exposure for your business.

Even to seasoned professionals the PPS Act is a massive reform that will significantly change the business landscape.

### Boost your profits

You can purchase PPS Solutions software at a reduced, reseller rate then on-sell that access and training to your clients. Pass the savings onto your clients or enjoy the savings yourself.

Benefit from exclusive promotions throughout the year to help you earn more revenue and close more sales.

Upgrade your clients to another PPS Solutions product or service and earn valuable income on every sale.

- 10% of fees up to \$100,000
- 15% of any fees over \$100,000
- Fees paid quarterly.

### Let us take care of the details

Time is money – and we understand the busyness of your business. Let us do the leg work on the administrative processes of registering and maintaining your PPS Act compliance.

Call us for a chat to determine the best way forward.

Regardless of the model you choose, PPS Solutions adds value to your existing services. This is a great opportunity to communicate with your clients and proactively offer your services.

As a Referral Partner you will enjoy the attention of a dedicated Account Manager (PPS Extraordinaire) who will be your single point of contact for all customer service and sales enquiries. This means there's just one phone number and email address to put in your address book!

### Priority Technical Support seven days a Week

In need of an answer fast? Simply contact PPS Solutions Technical Support during extended hours by phone, fax or email.

With every new software release, every update is made available to you first. Your software stays compliant, so you have the most up-to-date software all year round.

## Contact us. We'd love to hear from you!
