

ROCKHAMPTON GIRLS GRAMMAR SCHOOL

Non Smoking Policy

PURPOSE OF THE POLICY

The purpose of this policy is to give clear direction of the use of all tobacco products at Rockhampton Girls Grammar School.

POLICY

In today's climate, coupled with our concern for the health and welfare of those in our care, the Board of Trustees has determined that, as part of the School's duty of care and to provide a healthy environment for all, smoking of any kind on any premises owned or controlled by Rockhampton Girls Grammar School, is prohibited.

Staff who smoke are to discretely depart the school premises during an appropriate meal break after signing out on the white board in the Staff room, and to not bring the School into disrepute by smoking while standing at entrances to the School. All butts are to be disposed of into rubbish receptacles and not dropped on the ground on or around the School premises.
